Independent Review of the Dioxin Incident

The First Minister and the deputy First Minister (Mr P Robinson and Mr M McGuinness): We wish to inform Assembly Members of the publication of the “Independent Review of the Dioxin Incident in Northern Ireland, December 2008”.

A recall of all Irish pork products produced from pigs slaughtered in Ireland was ordered by the Food Safety Authority of Ireland on Saturday 6 December 2008. This had a major impact in Northern Ireland, resulting in a decision by the Executive to commission an independent review of the handling and communications of the incident.

This Review was undertaken by Mr Kenneth J MacKenzie CB, a former senior civil servant in the Scottish Government. Mr MacKenzie’s Report was submitted to the Executive on 9 September 2010 and is being published today. We would like to record our gratitude to Mr Mackenzie for undertaking the Review.

The Report sets out a number of recommendations which the relevant Ministers and key stakeholders will now consider in detail. The relevant Assembly Committees will also wish to consider the Report as appropriate. The Executive will then consider proposals for responding to the recommendations to ensure the lessons are learned and necessary actions implemented in preparation for and in handling any such incident in the future.
